# Welcome to Dan Sumner Marketing and Strategy Package Information Brochure...

Hi I'm Dan Sumner,

My team and I specialise in online marketing, product creation and traffic generation consultation.

We can tailor make your online business the way you want it. If it's an online product you need or a marketing strategy, then we can help!

## Strategy and Marketing Price List

### Consultation:

Our consultations are based on hourly consultations by skype (preferred) or telephone. The basic package is a 1 hour skype chat about your business with a free initial “get to Know You” 30 minute chat about your business and how you want it to work.

We can then advise over the next hour depending on how much time we require:

- 60 minutes \$199
- 120 minutes \$369
- 180 minutes \$527

Any further consultations in addition to 180 minutes will be charged at \$100 per hour. If you require a half or full day, please get in touch. We can also advise on the call if more time is needed.

You will receive high value business strategies and information from these calls.

## Product Creation

We have created 100's of products from a few simple pages to multiple pages, so with that said product creation and sales funnel creation does require a strategy consultation to discuss your business needs to find out exactly what you need.

Please contact us here: <http://dansumner.com/contact/> if you require a product website and sales funnel.

Thanks for taking the time to see what we offer at Dan Sumner Marketing.

To your success!
